MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 5 to Contract No. HF-2410
with Eastman Kodak Company

25X1

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 5.

2. Contract No. HF-2410 provides for the purchase of photographic film and supplies, upon demand, for the testing and operational phases of the FOG program.

3. Amendment No. 5 to the subject contract has been drawn to increase the funds allotted under the contract to \$987,685 to cover procurement of additional film and related supplies for FOG activities. Amendment No. 5 to Contract No. HF-2410, therefore, obligates an additional \$50,000 chargeable to "No Year" Air Force funds. By concurrence to this memorandum the Project Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.

5. Approval of Amendment No. 5 to Contract No. HF-2410 and
